Billed Entity Number: 16021229  
Form 471 Application Number: 998706  
Funding Request Number(s): 2804049  
Your Correspondence Dated: July 19, 2016

After review of the information and documentation provided, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's funding commitment decision for the FCC Form 471 Application Number and funding requests number(s) (FRN(s)) referenced above. This letter provides an explanation for USAC's decision. The date of this letter also begins the sixty (60) day time period for appealing this decision. If your Letter of Appeal included more than one FCC Form 471 Application Number, please note that you will receive a separate decision for each funding application.

Funding Request Number(s): 2804049

Decision on Appeal: **Denied**

Explanation:

- USAC denied your funding request because it was determined that the costs of the products and services in your funding request were significantly higher than the costs generally available in your marketplace for the same or similar products or services. There is no evidence that the reason for the excessive costs is due to extenuating circumstances. You have not demonstrated on appeal that USAC's determination was incorrect. Consequently, USAC denies your appeal.
- FCC rules state that, in selecting a service provider, the applicant must carefully consider all bids submitted and must select the most cost-effective service or equipment offering, with price being the primary factor, which will result in being the most cost-effective means of meeting educational needs and the technology

plan goals. *See* 47 C.F.R. secs. 54.511(a), 54.503(c)(2)(ii)(B), 54.504(a)(1)(ix). *See* also Request for Review of the Decision of the Universal Service Administrator by Ysleta Independent School District, El Paso, Texas, et al., Federal-State Joint Board of Universal Service, Changes to the Board of Directors of the National Exchange Carrier Association, Inc., SLD Nos. 321479, et al., CC Docket Nos. 96-45 and 97-21, Order, 18 FCC Rcd 26407, FCC 03-313 paras. 47-55 (Dec. 8, 2003). Service providers shall not charge the entities a price above the lowest corresponding price. *See* 47 C.F.R. sec. 54.511(b). In order to ensure that applicants are not requesting discounts for services beyond their reasonable needs, USAC denies funding request(s) for not being cost-effective. The costs of the products and services in a funding request should not be significantly higher than the costs generally available in the applicant's marketplace for the same or similar products or services. For example, equipment at prices two or three times greater than the prices available from commercial vendors would not be cost effective, unless there were extenuating circumstances. *See* Ysleta Order para. 54.

If you wish to appeal this decision, you may file an appeal pursuant to 47 C.F.R. Part 54, Subpart I. Detailed instructions for filing appeals are available at:

We thank you for your continued support, patience and cooperation during the appeal process.
